“Love Our School” Event a Success!

Representatives from twelve local businesses recently attended the “Love Our School” event on Monday, February 4, 2008 at The California Center for the Arts, in Escondido. Business owners and representatives had the opportunity to share information about their businesses and the services they offer to the families who attend The Classical Academies. Families had the chance to individually thank the businesses who are supporting their school and making educational opportunities available.

The “Love Our School” event is a part of The Classical Academies I.N.V.E.S.T. Program, which partners up local businesses with the charter school. Local businesses are invited to inquire about the I.N.V.E.S.T. Program, and Sponsorships are now being accepted. For more information on the I.N.V.E.S.T. Program, visit www.classicalacademy.com, or contact Valinda Cranfill at 760-546-0101 ext. 6724 or at vcranfill@classicalacademy.com.

The Classical Academies are (TCA) California public charter schools that have been serving North County since 1999. TCA is accredited by the Western Association of Schools and Colleges (WASC), and is a Certified California Public Charter School.
